

REMARKS

Reconsideration of the present application is requested. Claims 22 and 23 were deemed to be allowed. Claims 1-7, 9, 10, 20 and 21 have been previously cancelled. In this response, Applicants have cancelled claims 11, 13, 19 and 24-25, without prejudice to treatment in a continuation application. The remaining claims have been amended to depend from allowed independent claim 22.

With this amendment, all of the claims have either been allowed (claims 22 and 23) or depend from allowed claims (claims 8, 12, 14-18). It is therefore believed that this application is in condition for allowance and action toward that end is requested.

Respectfully submitted,

/Michael D. Beck/
